Dear Mr. Giandonato:

The U.S. Environmental Protection Agency ("EPA") is seeking information related to the release, or threat of release, of hazardous substances, pollutants or contaminants into the environment from Operable Unit 1 of the Lower Darby Creek Site ("Site"). EPA is investigating the source of contamination in the vicinity of the Clearview Landfill, also known as Heller's Dump (collectively, "Clearview"), located at or near 83rd Street and Buist Avenue in Philadelphia, PA and bordering Darby Creek in Darby Township. The Site also includes the Folcroft Landfill and Annex located approximately two miles away in Folcroft Borough, Delaware County. This information request is limited to Clearview. Haley Paint Company, f/k/a Finnaren and Haley, Inc., was identified by a witness who recalled Patrick Bizzari Hauling, a/k/a Bizzari Waste, transporting waste from a "Finnaren and Haley Paint store" and disposing of such waste at Clearview (see Enclosure F). The specific information required is attached to this letter as Enclosure E.

Pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9604(e), EPA has the authority to require Haley Paint Company, ("Haley" or "you") to furnish all information and documents in its possession, custody, or control, or in the possession, custody, or control of any of its employees or agents, which concern, refer, or relate to hazardous substances as defined by Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), pollutants and/or contaminants as defined by Section 101(33) of CERCLA, 42 U.S.C. § 9601(33), which were transported to, stored, treated, or disposed of at the above-referenced Site.

Please respond in writing to this required submission of information within **thirty (30) calendar days** of your receipt of this letter.

If, for any reason, Haley does not provide all information responsive to this letter, then in its answer to EPA Haley should: (1) describe specifically what was not provided, and (2) provide to EPA an appropriate reason why the information was not provided.

All documents and information should be sent to:

Ms. Maria Goodine (3HS62)
U.S. Environmental Protection Agency
